

GEORGE GREEN

STORY: On the occasion of George Green's retirement from his position as Executive Director of the Learning Disabilities Association of Yukon, his friends and colleagues established the George Green Legacy Fund. This gesture recognized George's exceptional passion and commitment to ensuring that people throughout the Yukon are provided with the accommodations and supports they need to reach their full potential.

George founded and co-founded many other charitable organizations in Whitehorse and received the Caring Canadian Award from the Governor-General in 2013.
